PARENT CONFERENCES

NHS will follow this schedule during **STAR Testing 2008**. Please help our students maximize their opportunity for success by:

1. Encouraging a good night's rest and eating a healthy light breakfast.
2. Assigning a reasonable amount of homework during the week.
3. Adhering exactly to the directions for administering the tests.
4. Being your usual positive and encouraging selves.

Thank you for your diligent work and professionalism!
