

Parents, you're invited

To become part of the WASC committee
at Northwood High School

What is WASC?

The Western Association of Schools and Colleges (WASC) is recognized as one of six regional associations that accredit public and private schools, colleges, and universities in the United States.

What does this mean for Northwood?

The process involves a self-study of the work being done by staff, students and parents at Northwood High School. Through the self-study process, a report is generated that is validated by a visiting team in Fall of 2010.

Why would I want to participate?

We want to hear from you!
You are encouraged to be involved and to provide input on how student learning is achieved at Northwood.

Information Session to be held on:
