

Organic Produce Available

NHS Students and Staff can receive Tanaka Farms Organic Produce on a weekly, every other week or monthly basis. *10% of the proceeds from this program go directly back to the NHS horticulture class.*

The program is with Tanaka Farms of Irvine delivering boxes of fresh, organic produce to NHS. Staff and Students will have boxes delivered to them in their classroom on Thursdays.

Produce boxes contain seasonal vegetables and fruits – all fresh from the farm!

There are two sizes of boxes you may choose from.

- *Large* contains about 11 different items for \$30+\$3 fuel charge per week.
- *Small* contains about 7 different items for \$20+\$3 fuel charge per week.

Simply go online to sign up at www.tanakafarms.com .

(<http://www.tanakafarms.com/CSA.html>)

You will select your size, weekly or biweekly delivery, and you pay online.

Please contact Bev Matsuda (bmatsuda@iusd.org) if you have any questions.
